## International Student Conference

### Education Without Borders 2009!

March 29 – April 1, 2009  
in Dubai

**Education Without Borders** (EWB) is a biennial international student conference creating networks across cultures in order to understand, and generate solutions for some of the world's greatest challenges. In 2007, over 1,000 students from 110 countries and 150 universities participated. More than 550 student papers were submitted, of which 30 papers were selected for presentation.

To be eligible, applicants must be registered full-time students at a post secondary institution at the time of the event. Applicants may apply to attend the event as a **Delegate**, who will attend conference events and presentations or as a **Presenter**, who will submit a paper to be considered for presentation at the conference. Conference sponsorship is quite generous with many of the costs covered, as outlined below:

	Paid conference registration	Shared Accommodation	Meals	Visa for travel to UAE	Airfare to/from Dubai	Spending Money	Eligible to win prizes
<b>Delegate</b>	Yes	Yes	Yes	Yes	No	No	No
<b>Presenter</b>	Yes	Yes	Yes	Yes	Yes	No	Yes

We strongly encourage students to submit a paper abstract for review, as this will strengthen their application. The deadline for paper abstracts is **November 30th**. Please visit the event's web site at: <http://ewb2009.hct.ac.ae> for additional information.
